## WHARF AND WAVE.

The brig W. G. Irwin sails for San Francisco tomorrow.

The steamer Helene is on the marine railway being cleaned and painted.

The steamer James Makee is about ready for sea and may go to Kapaa this week.

The steamer W. G. Hall, from Kauai ports; Claudine, from Maui ports, and Kinan, from Hawaii ports, will arrive on Saturday morning instead of Sunday morning next. This is in order that the officers and crews may spend Christmas at home. Nearly all the Inter Island boats will be in by Sunday.

It was past 8 o'clock last night when the China finally cast off her moorings at Pacific Mail wharf and steamed out of the harbor for San Francisco. Although scheduled to sail at 4 o'clock p. m. it was found impossible to discharge all the freight until four hours later. The China took a number of passengers from this port and will make San Francisco possibly by Monday morning next.

Capt. Cameron, of the steamer Claudine, had a laugh on his arrival last Sunday at the scare he had unconsciously given the waterfront on his departure last week, in anchoring off the harbor while awaiting the men who had lighted the channel buoys, to get aboard the steamer. Not only is Capt. Cameron one of the most cautious but also one of the most efficient mariners on the islands. He is probably the only captain in the Inter-island traffic who keeps up his practice in navigation. Capt. Cameron takes observations daily and is already supplied with the nautical almanacs for the coming year. This veteran of the seas asserts that he would rather take time from his chronometer any day than the 1:30 foot of the steam whistle.

BAILEY'S  
BIKE  
ITS.

ITEMS OF INTEREST TO BICYCLE BUYERS AND RIDERS.

The signs are that prices on well known makes of wheels will be cut, and cut deep. One very large maker has made a cut of 33 1-3 per cent, and at the same time advertises the fact that '99 wheels will be the same as '98, with 30 inch wheels as an extra line at \$5.00 more.

With cheap bikes and good, the trade may be said to have only just begun in the matter of quantity of sales. 100 wheels at \$40.00 can be sold where one would sell at \$100, or even \$15. Always we have the cheapest bike in town. A good second hand bike for \$15.00. Good for a track or to learn on. Good value anyway, anywhere. A special feature made of contracts to repair punctures and to clean your wheel for \$1 per month.
